

Preschool Press

April 2018

Peggy Calabrese
Preschool Coordinator

Bartlett Park District

Vision and Hearing

The DuPage County Health Department came out to conduct Vision and Hearing Screenings.

If your child was absent we will be Re-Screening on April 25&26.

You should expect the results after April 26th.

Thank you to the Bartlett Lions Club for donating the cost to conduct these Vision and Hearing Screenings!

NOTE: Our DCFS license requires us to have the Vision and Hearing Screenings. It **does not** fulfill the requirement for Kindergarten. Please understand you will need to have your child seen by a physician for kindergarten.
